- c) ALES or equivalent exam result document. (ALES or equivalent exam results are valid for 5 years.)
- d) YDS, YÖKDİL, TOEFL or equivalent exam result document.

F- EVALUATION OF THE APPLICATIONS

a) Evaluation of the applications of the candidates who applied to master's with thesis and doctorate programs are made in relation to ALES score, undergraduate / graduate grade point average, and oral and / or written exam results.

If the written and oral exam are held together, the candidates who do not take the written exam are considered unsuccessful and cannot qualify for the oral exam. Candidates with an exam grade below 60 are considered unsuccessful. If written and oral exam is held together, the average of the grades from the two exams constitutes the exam grade.

In this framework, The placement of the candidates who have scored at least 65 and above according to the scores listed below is made by EYK according to the quotas:

- a) 50% of ALES score,
- b) 20% of undergraduate / graduate grade point average,
- c) 30% of the exam grade,

In graduate programs which do not request ALES score, 50% of the undergraduate / graduate grade point average and 50% of the interview and / or written exam results are collected and candidates are placed into the relevant programs by the EYK according to the quotas.

b) Exam evaluations of foreign candidates are made according to the exam results. The candidate must score at least 65 points to be successful.
